

# How to Speak English Fluently

## 1. Listen First

Spend most of your study time listening - that is the key to great speaking.

## 2. Listen and Repeat

Watch short video clips, pause, repeat what you hear and practise it.

## 3. Listen and Answer

While watching short video clips, every time you hear a question, pause and answer it. Answer questions quickly - without thinking and you will learn short automatic responses, collect them and start using them

## 4. Read Aloud - especially dialogues

## 5. Choose an Accent You Like and Imitate It

## 6. Learn Collocations, Not Individual Words

When you learn a new word, always remember the phrase it is in.

## 7. Learn Exclamation Words and Fillers

## 8. Replace Regular Verbs with Phrasal Verbs

## 9. Practise Telling Stories and Using Narrative Tenses

## 10. Sing Along to English Songs

Listen and read along to poetry or rap songs to practise the rhythm of English

## 11. Practise Tongue Twisters

## 12. Learn How to Paraphrase
